HOMER HARBOUR, ALASKA

**We take the time, care and extra handling to ensure our fish is the highest quality.**

**Coal Point Seafoods is owned & operated by our Alaskan family,** on the docks of Homer, Alaska... home port of our F/V Time Bandit.

- We know each of our fishermen and accept only the finest of their catch.
- All fish are iced the minute they come out of the water and are blast frozen within hours.
- Speed from boat to freezer is the key to quality in texture and flavour.

**We invest in the future of our planet**

- Our Wild Alaskan Salmon is MSC certified for sustainable, well-managed fisheries.
- A portion of our proceeds go to safeguard Mother Nature's wild schools, flocks & herds.
- We work hard to sustain our community, clean air, water and habitat.
- Only locally-caught quality cared for fish from wild healthy stocks cross our docks.
- We are committed to EPA Energy & Green Star Challenges.

**Thank you for choosing Coal Point's Seafood!**
